EDUCATION

University of Waterloo

Bachelor of Computer Science and Finance Double Major (CFM)

(Sep 2024 - Apr 2028)

President's Scholarship of Distinction

EXPERIENCE

Rundoo | Product Management Intern

(Sep 2026 - Dec 2026)

- Incoming Fall 2026; First PM Intern

Contrary | Research Fellow

(Mar 2026 - Jun 2026)

- Wrote investment memos for Surge AI (data labelling) and Crosby AI (legal tech). Researched founding story, product, market, competition, business model, traction, valuation, opportunities, and risks.

Kalshi | Special Projects

(Jan 2026 - Apr 2026)

- Built an interactive map visualization of 500+ global Kalshi markets using Leaflet and OpenStreetMap
- Authored features for the Kalshi newsletter (1M+ subscribers), generating 640k+ combined views and a 43% open rate. Topics include the "Timeless" perpetuals launch, commodities, crypto, and sports
- Optimized articles for SEO / AEO performance; currently holding the top SEO spot for "what is kalshi".

Anthropic | Campus Ambassador

(Aug 2025 - Dec 2025)

- Founded the University of Waterloo's Claude Builder Club; hosted 5+ events reaching 1,000+ students
- Held workshops explaining key AI concepts (APIs, Agents, Model-Context Protocol (MCP), Alignment)
- Converted 800+ Claude signups across Waterloo through in-person and online marketing campaigns
- Led the launch of Claude Sonnet 4.5 on campus; hosted a competition generating 20,000+ impressions

RBC Investor Services | Pension Reporting Analyst

(May 2025 - Aug 2025)

- Used Python to automate financial reporting processes responsible for \$1.2 billion in transaction value
- Built statistical models using pandas and Yahoo Finance to forecast institutional client trading patterns compared to the S&P500 and TSX60 indices. Presented findings to upper-level executives
- Engineered interactive dashboards serving 500+ Canadian and 100+ international clients

PROJECTS

Convergence | Founder

- Hosted 2 Capture The Flag-inspired alternate reality games for 80+ friends in Toronto and Waterloo
- Led a team of 8 for 3+ months, landed sponsors, managed finances, ordered/designed merchandise
- Built a full-stack web app supporting 100+ concurrent users, delivering updates, managing game state
- Recorded, edited, and directed a [10-minute short film](#) about the entire journey!
