EDUCATION

University of Waterloo (Sep 2024 - Apr 2028)
Bachelor of Computer Science and Finance Double Major (CFM) *President's Scholarship of Distinction*

EXPERIENCE

Rundoo | Product Management Intern (Sep 2026 - Dec 2026)

- 1st PM intern. Built the market-entry case for a new vertical (firearms), unlocking a TAM of $1.04B. Analyzed 77K licenses for market-sizing; ran discovery calls with 3 store owners and 3 payment processors; found $75K of lost ARR. Delivered a 4-phase roadmap and engineering estimate
- Owned Canadian expansion, unlocking 6K businesses worth $105M in ARR. Led competitive analysis, repricing discussion, public marketing page, and company-wide review. Carried 5 accounts, signing 1
- Ran implementation for first Canadian lumber client ($28K ARR). Migrated 20K+ records

Kalshi | Special Projects (Jan 2026 - Apr 2026)

- Built an interactive map visualization of 500+ global Kalshi markets using Leaflet and OpenStreetMap
- Authored features for the Kalshi newsletter (1M+ subscribers), generating 640K+ combined views and a 43% open rate. Topics include the "Timeless" perpetuals launch, commodities, crypto, and sports.
- Optimized articles for SEO / AEO performance; currently holding the top SEO spot for "what is kalshi".

Anthropic | Campus Ambassador (Sep 2025 - Dec 2025)

- Founded the University of Waterloo's Claude Builder Club; hosted 5+ events reaching 1,000+ students
- Converted 800+ Claude signups across Waterloo through in-person and online marketing campaigns
- Led the launch of Claude Sonnet 4.5 on campus; hosted a competition generating 20K+ impressions

RBC Investor Services | Pension Reporting Analyst (May 2025 - Aug 2025)

- Used Python to automate financial reporting processes responsible for $1.2 billion in transaction value
- Built statistical models using pandas and Yahoo Finance to forecast institutional client trading patterns compared to the S&P500 and TSX60 indices. Presented findings to upper-level executives
- Engineered interactive dashboards serving 500+ Canadian and 100+ international clients

PROJECTS

Convergence | Founder

- Hosted 2 Capture The Flag-inspired alternate reality games for 80+ friends in Toronto and Waterloo
- Led a team of 8 for 3+ months, landed sponsors, managed finances, ordered/designed merchandise
- Built a full-stack web app supporting 100+ concurrent users, delivering updates, managing game state
- Recorded, edited, and directed a 10-minute short film about the entire journey!
